Ukranian Folksongs and Hopak Arr. H. Schneider

The mandolin is a very old instrument of the lute family and has a distinct tone color of its own -- shimmering, delicate and unique. Composers such as Beethoven, Vivaldi, Mozart and Verdi have written for it.

The mandolin orchestra consists of mandolin, mandola, mando-cello, mando-bass and guitar and is capable of producing music of a very high artistic standard. Other instruments, such as the banjo for fortissimo, woodwinds and percussion, may be added to the orchestra for color variation.
