The Providence Mandolin Orchestra was founded by the late Hibbard Perry in 1973. This group carries on an American musical tradition which goes back to the 1880's when a group of Spanish bandurria players toured the U.S. under the name of "The Spanish Students," and began a craze for mandolin and guitar groups that rivaled the popularity of rock and roll today. Mr. Davis has been associated with the

Providence Mandolin Orchestra since its inception, and in 1989 became the full-time music direc-

tor. In 1989, the group was the first American mandolin orchestra to perform at the Festival Internacional de Musica Plectro in Logroño, Spain.

This summer the Orchestra will be featured at the Zweite Bayerische Bezirksmusikfests in Munich, Germany and at the 5th International Mandolin Festival in Strasbourg, France.
